

Golasso 3-Sports Scoreboard

Golasso Scoreboards for Baseball, Basketball and Football

This Windows® software turns your PC monitor into a fully functioning scoreboard for the sports of baseball, basketball and football. The scoreboard displays scores by inning or quarter. For basketball and football, a game clock is displayed and the software includes the sound of a buzzer when the clock reaches zero. Specify the number of minutes in each quarter or period. Tenths of seconds are displayed when the time remaining is less than one minute. On the baseball scoreboard, balls, strikes and outs can be displayed. On the football scoreboard, down, distance and ball location can be displayed. On the basketball scoreboard, a possession arrow and free throw bonus indicator can be displayed.

SCOREBOARD SETUP

BEFORE OPENING THE DISPLAY

1. SELECT SPORT: Basketball

2. CHECK SIZE: ☒ 1 ☐ 2 ☐ 3 ☐ 4 ☐ 5

3. FOR EACH SECTION OF SCOREBOARD, SELECT THE COLOR OF THE TEXT AND THE BACKGROUND COLOR

CLICK TO OPEN

SUPPORT: service@thegolassocompany.com

Size of the Display

Designed for long-range visibility on a PC monitor or TV screen, select from five display size options.

Color Scheme Options

The color of the numbers and background color can be specified to your preference. Numbers can be displayed in white, yellow, red or neon green. Background color can be black, blue, grey, green or red.

Team Names

Enter the name of each team and enter an abbreviation for each name. After setting up a scoreboard, click to open the display. An example of the display for each sport is shown on the next page.
